President's Perspective

Hello MHBA Members & Welcome New Members!

Hope everyone is having a great spring!

Congratulations to all the exhibitors at the 2022 National Western Stock Show and San Antonio shows. After the shows were

cancelled last year it was great to be back kicking off the new year at Denver and San Antonio. A heartfelt thank you to everyone who supported these shows. We appreciate those of you who assisted with weigh-in, show programs, staging, awards and other duties! Hope everyone enjoyed visiting with old and new friends!

With the new year don't forget to submit your applications for the AIME program and collect points with your entries for the year. More information and the applications are available on the MHBA website.

Congratulations to our MHYF Memorial Scholarship recipients –and to our Collegiate Scholarship recipients. Best wishes to these students as they pursue their college education. All upcoming high school seniors and college students watch for details about submitting your application next year. Don't miss out on this opportunity – this is a remarkable program.

Congratulations to our newly crowned MHBA Royalty and ambassadors. I know these young people will do a tremendous job serving as representatives for our Miniature Herefords at the shows and other events in 2022.

Election time is approaching - watch for your 2022 MHBA & MHYF election nomination forms and ballot. Please support the association by submitting your nominations and casting your ballot.

As always, please contact your Regional Director or any Executive Board Member with any ideas, questions or concerns.

Thank you for your support—
Justin Grady, MHBA President

Miniature Hereford Breeders Association

Membership Application

Family Membership—allows all family members to show at MHBA shows.

Includes one vote in MHBA elections and one magazine subscription.

Please list all family members' names (including juniors, ages 3-22).

Junior Membership—ages 3-22. Allows juniors to show in MHBA junior and open classes. This membership carries no vote and no magazine subscription.

Name(s): _____

Junior(s): _____ Birth Date(s): _____

Ranch Name: _____

Address: _____

City: _____ State: _____ Zip: _____

Phone: _____ Cell: _____

Email: _____ Website: _____

Send your membership dues, payable to the MHBA to:

MHBA Treasurer, Craig DeHaan
804 2nd St. SE • Orange City, IA 51041
or pay online at: www.MinatureHereford.org

Annual Membership Dues:

- ☐ U.S. Family Membership: \$85
- ☐ Canadian Membership: \$90
- ☐ All Other Countries: \$95
- ☐ Junior Membership (per junior): \$25

The undersigned hereby applies for membership in the Miniature Hereford Breeders Association (MHBA), a non-profit corporation, and in consideration of acceptance, agrees to conform to and abide by the By-Laws, Rules and Regulations of the Association and Amendments or Modifications thereto which may, from time to time, be adopted. By submitting this application for membership, applicant irrevocably waives any claim against and grants an absolute release to the Miniature Hereford Breeders Association and member, employee, or agent of the Association, for any act or omission in connection with the Association, including but not limited to, any enforcement of the Rules and Regulations presently in effect or hereafter adopted by the Association.

MHBA/MHYF Election

Time is Near!

2022 MHBA and MHYF Election Process

The election process for the Miniature Hereford Breeders Association (MHBA) and the Miniature Hereford Youth Foundation (MHYF) takes several months to complete. I would like to walk you through the steps that are taken to insure a proper election is provided.

The MHBA Secretary is constantly keeping accurate records of the Associations membership roster as this is critical to our election process. Prior to the election process beginning, the MHBA Secretary will contact the Accounting firm and complete all necessary contracting documents. On the day the election process is to begin (Friday, March 4, 2022) the Secretary will make a list of all current eligible voting members who hold a paid Family Membership in the MHBA. Each of these members will then be sent by mail an official nomination packet (as per Article II, Section 11 of the By-Laws). This packet will include any nomination information needed (what positions are up for election, nomination criteria, nomination form, and the nomination return deadline, etc.).

Keep in mind that there are some stipulations that apply to the MHBA and MHYF elections regarding nominating and voting eligibility. Article III, Section 1 states that "to qualify for a position on the MHBA Board as well as one of the nine Regional Director positions,

a candidate must be an individual and presently a Member in Good Standings (a MGS is an individual with a minimum of three consecutive preceding years as a paid Family member prior to the current election cycle)." Also, according to Article II, Section 11, "Executive Board of Directors may be nominated and voted on by all MHBA paid members holding a current Family Membership. Members of the nine Regions shall nominate and vote on members from their own Region to represent them as their corresponding Regional Director."

When a member receives their official nomination packet, they are able to complete the nomination form and return to the MHBA Secretary via mail prior to the established nomination deadline. As the nomination forms are received by the MHBA Secretary, he/she will add the names to a Nomination Roster. After the nominee's name is added to

the roster, their vetting process begins with the MHBA and MHYF Secretaries working together to properly vet each individual nominated. During the vetting process the Secretaries check to see if the person holds a current "Member in Good Standings" status (being a current paid member for a minimum of three consecutive years or longer prior to the current election process) according to the MHBA By-Laws. If the nominee

does not qualify, they are notified by their Secretary (MHBA or MHYF) and provided the reason for their non-qualification at that point. If the nominee does qualify to hold office, they are contacted and asked if they accept their nomination. If they accept the nomination, their name is moved to the official ballot list; if they decline, their name is moved to a declined nomination list. The completed nomination list as well as a list of all the positions that are available for the current election cycle is then sent by the Secretary to the independent Accounting firm to be used as the secondary double check.

After the nomination deadline has passed and the nominees are vetted, the MHBA Secretary will make sure that all qualified candidate names are properly placed on the Official Ballot. The MHBA Secretary will then mail an Official Ballot packet to the independent Accounting firm, as well as to all eligible MHBA Family level memberships, with a return envelope to the MHBA's Independent Accounting firm (Article II, Section 10). As members complete his/

Positions that are up for the 2022 election:

MHBA
Vice-President
Treasurer
Region 1 Director
Region 4 Director
Region 7 Director

MHYF
Vice-President
Treasurer
Director of Scholarships

her ballot, it is important to note that the Official ballots are not returned to the MHBA Secretary or any other member of either Board. The ballots instead are mailed directly to the independent Accounting firm where they will be tallied. The results are blind tallied and the MHBA Secretary will never be informed of the votes submitted by individual members. The results of that tally will be sent directly to the MHBA Secretary only, where he/

she will make record of the official results. It is then the Secretaries duty to contact each individual who has been officially elected and inform them of their selection. Candidates that were not elected will be notified and thanked for their participation in the MHBA/MHYF elections. The results of the election will then be made available to all MHBA members via several avenues (website, Facebook, email).

Whew....yes, it does take that long, but it is well worth it. The MHBA and the MHYF encourage our members to participate by voting in our election process.

In order to be eligible to participate (make nominations and vote) in the upcoming 2022 MHBA/MHYF election process, you will need to be a current paid Family member of the Miniature Hereford Breeders Association. In order to run for one of the Board positions available in the MHBA or MHYF, you will need to hold a Member in Good Standings level of membership. Our election period for the 2022 year will begin on Friday, March 4th at 11:59pm. At that time the MHBA Secretary will make an election roster of the paid Family membership. An official Nomination form will be sent to all those on that list by mail (Monday, March 7th). If you have any questions regarding the 2022 MHBA/MHYF election process, please feel free to contact the MHBA Secretary via email. Thank you!

2022 is going full force!

With the amazing growth of our breed across the US, the Miniature Hereford Breeders Association is continuing the AIME points program. These AIME programs are available to our MHBA membership again at no cost again for the 2022 calendar year, so be sure to get your applications in early so that you can be accumulating points. The MHBA feels that having sanctioned shows

promote consistency throughout the Nation in terms of Miniature Hereford show rules, policies, expectations, and class offerings.

The MHBA AIME Points program for Open Shows are recognized as the "AIME Cattle of Excellence" awards. Within this program, we recognize three (3) individual animals each year for their achievements in Excellence

during that calendar year. These award recipients will be acknowledged as the:

- **MHBA Female of Excellence**
- **MHBA Bull of Excellence**
- **MHBA Prospect Steer of Excellence**

All MHBA membership levels are eligible to submit AIME Cattle of Excellence program application(s). These members may enroll as many individual Miniature Herefords as desired into the Program and participate in as many MHBA Sanctioned shows as they would like. Only the top four (4) scores from the individual AIME Points shows, in which a given animal was exhibited, will count towards a final total Excellence score for each individual animal. Therefore, in theory, a single Cattle of Excellence program applicant may participate in more than four shows; however, only their top four scores will be calculated in the Excellence competitions.

The second AIME Points program members are encouraged to participate in is the **"AIME Ranch of Distinction"** Program. In this program, we recognize three individual Ranches/Farms each year for their achievements in the show ring during that calendar year. These awards will be offered in three different levels of competition:

- **MHBA Ranch of Distinction I**
(1-3 head exhibited)
- **MHBA Ranch of Distinction II**
(4-6 head exhibited)
- **MHBA Ranch of Distinction III**
(7-10 head exhibited)

All current MHBA Family membership levels are eligible to compete in the AIME Ranch of Distinction Program and may enter as many MHBA Sanctioned shows each year as they would like. Only the top four (4) total scores for their Ranch/Farm exhibits from each MHBA Sanctioned show will count towards their total final score. For further information, Program details, and Program applications, please visit the MHBA website and click on the AIME tab.

The third AIME Points program is the **"Junior AIME Animals of Excellence"** program, which are specifically for MHBA youth members (ages 3 to 21). Within this program, we will recognize two (2) individual animals exhibited by MHBA youth in MHBA Junior Sanctioned

shows each year, for their achievements in Excellence. This Program began in June 2021 at the MHBA/MHYF Junior Nationals held in Duncan, OK. Be sure to apply to participate in the Junior AIME program as all your spring shows will count towards your point totals. The Junior AIME Animals of Excellence Program year will last from June to June so the first Jr AIME awards will be presented at the 2022 Miniature Hereford Junior Nationals held in Duncan OK. The annual award recipients will be acknowledged as the:

- **MHBA Junior Female of Excellence**
- **MHBA Junior Prospect Steer of Excellence**

In order for points to be accumulated for the Junior AIME program, the show must be recognized as an "MHBA Sanctioned Junior Show." In doing so, this means that Sanctioned Junior Shows are required to follow all MHBA Junior show rules, policies, and expectations. To see the Junior AIME Animals of Excellence Program description, detailed information, and applications, please visit the new MHBA website and click on the AIME tab. All current MHBA Junior members—those with their own Jr membership as well as those under an MHBA Family membership—are eligible to submit cattle applications. These youth exhibitors may enter as many MHBA Sanctioned Junior shows as they would like, and as many animals into the Program as desired. For each animal entered into the Program, only their top four (4) scores obtained from exhibition at MHBA Junior Sanctioned shows will be counted towards their total final score.

If you would like one of the shows that you currently attend to become an AIME Points Program show, please have your show superintendent contact your Regional Director or one of the MHBA Board members for information on how to apply. Information packets and Program applications may also be requested from the MHBA Secretary. MHBA Sanctioned shows WILL NOT be automatically enrolled into the AIME Program! Miniature Hereford cattle will likewise also NOT be automatically enrolled into respective Excellence Programs—cattle owners must submit individual applications in order to participate in the MHBA AIME points program!

The Miniature Hereford Youth Foundation was established to promote youth involvement in the breeding, management, showing, and marketing of Miniature Hereford Cattle through developing leadership skills, and educational programs, encouraging personal growth, as well as providing a pathway towards attaining grants to continue to promote Miniature Hereford breeding programs and awarding scholarships.

I hope everyone is having a wonderful 2022 so far! A few things have changed over the last few months and there have been a couple of changes and updates to the MHYF Board.

Since the election last year with Kelsey Potter leaving the position of MHYF Director of Grants, the position remained vacant for a little while. In July, the board appointed Diane Jex to the position for Director of Grants. Diane greatly stepped up and has been a wonderful and extremely helpful asset to the MHYF Board since! We are so glad to have her and her willingness to help raise money for the Juniors! We officially welcome Diane to the team!

After NWSS in Denver 2022, Darren Osbment emailed the MHYF Board regarding his resignation from President of MHYF. Darren has been extremely beneficial in how far the Juniors have come and all they have been able to participate in and do. Darren felt at this time he didn't want to leave the MHBA and its members with a MHYF President who cannot devote his time and effort as he had previously. He hopes the future of the MHYF continues to grow and makes the youth foundation better! As stated in the MHYF By-Laws, Dave Pence (former MHYF Vice President) would step up and take the place of President to fill out the current term (up in 2023). The Vice President position under the MHYF will remain vacant until the election this coming spring. If you have anyone in mind for this position, be sure to get your nominations out this spring for the election! Thank you so very much to Darren Osbment for your commitment and time to the MHYF!

We are all looking forward to the Miniature Hereford Junior Nationals in Duncan, OK for THE RETURN OF THE MINIS! Be sure you have the dates saved – June 21-25!

MHYF Secretary, January Stout

Thank You!

Darren Osbment has served as the President of the Miniature Hereford Youth Foundation as well as the Show Superintendent of the Miniature Hereford Junior Nationals and the junior show at the National Western Stock Show. He has also been the driving force behind the Miniature Hereford Cattle Battle Series. The MHBA Board would like the membership to know that Darren has submitted his resignation as the President of the Miniature Hereford Youth Foundation. We know this was not an easy decision for Darren, and we sincerely appreciate his years of dedication and service to our youth and the MHYF.

Darren Osbment, on behalf of the Boards of the MHBA and MHYF, thank you for all you have done.

SHOW YOUR MINIATURE HEREFORD PRIDE

You can now purchase MHBA and MHYF branded apparel on-line 24/7 and have items delivered directly to you. A small portion of each purchase will benefit the MHYF Grant Program.

Congratulations!

2022 Scholarship Recipients

The MHYF Scholarship Committee would like to congratulate all of the 2022 Scholarship recipients! You all did a wonderful job with your interviews and we wish you the best during the 2022-2023 academic year! It is with the support of Miniature Hereford breeders and enthusiasts from across the United States that the MHYF Scholarship Committee was able to award a total of \$3,750 in scholarship awards to the 2022 applicants. Thank you and congratulations!

As spring is rapidly approaching, we are hard at work on the 2023 Miniature Hereford World Calendars! These calendar fundraisers are the primary source of funding for the annual MHYF scholarships that are awarded to graduating high school seniors and current college students. The proceeds from the 2023 World Calendar sales and advertisements will be utilized in providing the 2024 MHYF Scholarships. We need your help to provide financial support to our Miniature Hereford youth in their pursuits of higher education!

There are several ways that you can help support the Calendar fundraiser:

1. You may purchase a month photo page advertisement to fill with your favorite Mini Hereford pictures,
2. You may purchase 'days of the month' advertisements in which you can write special notes for family and friends (alternatively, it also is an excellent space for monthly advertisements with your farm/ranch logo),
3. You may order bulk calendars to provide as gifts to all those who purchase cattle from you each year.

Please contact Alyssa, Sheryl, or Andrea for more information and advertisement order forms. Plus...advertisers receive special discounted pricing on the 2023 World Calendars. If you are interested in advertising in the 2023 World Calendar, please contact one of the MHYF Scholarship Committee members.

Introducing

2022 ROYALTY & AMBASSADORS

Queen **Abby Eldridge**

My name is Abby Eldridge and I am your 2022 National Queen. I am 19 years old and I live in a little town in South-West Idaho. I am currently enrolled at Linn Benton Community College and I am majoring in Nursing. During my time as Queen I hope to meet new people, see familiar faces, and make friends along the way. A couple of my goals while serving as Queen are to get the kids more involved, inform people about the Miniature Hereford breed and Association, and most importantly to have fun and do my duties to the best of my ability. I am super excited about this year's Royalty and Ambassador team and the events we have in the works. Don't forget to mark your calendars for Junior Nationals, Return of the Minis in Duncan, Oklahoma. Please reach out to me if you would like the team to attend certain shows or with any questions in general as we are trying to plan our summer schedules. I feel very honored to be serving as the 2022 National Queen and can't wait for the year to come.

Princess **Abbigail Billings**

Abbigail is the daughter of Chris and Teri Billings. She is 13 years old and in 7th grade. She is actively involved in Cotton County 4-H. Her main project areas are Beef and Food Science. She owns and raises Mini Hereford Cattle and is showing one Bred and Owned Mini Hereford this year for the 2022 show season. Abbigail

loves animals of all kinds and in her spare time enjoys making resin crafts.

Jr Princess **Madalyn Gonzalez**

My name is Madalyn Grace Gonzales and I am your 2022 Junior Princess. I am twelve years old and I live outside of a very small town in West Texas. I am currently a 7th grader and I am involved in Cheerleading, Volleyball, Basketball, Track and my favorite, Showing Cattle. My hobbies are my animals, fishing, being outdoors, painting and being creative. I have been showing animals for six years total and have been showing Miniature Herefords for four years. I enjoy sharing with others about the breed and showing cattle. I enjoy being involved and helping others. I look forward to my new role as Junior Princess this year and the events coming up and want to be the best role model I can be for others and share the blessings the Lord has given to me.

Region 3 Walker Wiley

I am Walker Wiley from Mount Vernon, Ohio. I am 16 years old and a Junior at Veritas Academy. My family and I operate 4 Wiley Farm, LLC where we run about 30 head of Miniature Herefords. I am part owner of 5 head, and I am responsible for the daily care and maintenance of the herd. I started showing Miniature Herefords when I was 9 years old and my parents haven't

been able to keep me out of the show ring since. I now show at the county, state and national levels. Miniature Herefords are my main focus; by I also enjoy showing full-sized cattle at my county fair. In my spare time, I am on a trap shooting

team, enjoy water skiing, play the piano at my church and love spending time in the woods hunting deer. This is my second year to represent Region 3 as the Ambassador, and I am excited to continue my work supporting and serving my region.

Region 4 Caleb Spencer

My name is Caleb Spencer from Buffalo Missouri I am 16 I enjoy FFA and showing Miniature Herefords my future plans are to work in a gold mine after High school for a few years then after that do some sort of welding and possibly become an AG teacher and continue to help grow the Mini Hereford breed.

Region 6 *Montanna Trapp*

Howdy, I am Montanna Trapp from Lyford, Texas. I am currently 14 years old and a Freshman at Lyford High School. I started showing Miniature Herefords when I was eight years old. Ever since I was a little kid, I always knew that showing cattle is what my passion was. My family and I have been working on a herd of my own since then.

We run and operate Trapped In Time Miniature Herefords. As much as I love Miniature Herefords my passion doesn't stop there, I also love showing Red and Gray Brahmans as well as Polled Herefords. In my spare time, I play Volleyball, participate in FFA LDE's and CDE's. I also love participating in my local youth group and 4-H club. I am excited to be serving you as your 2022-2023 MHBA Region 6 Ambassador.

Region 8 *Emma Eldridge*

Hello, my name is Emma Eldridge. I am proud to be serving as your region 8 Ambassador for a second year. I am from Grand View Idaho and attend college in Colby Kansas where I'm on the livestock judging team and the track and field team. I am so excited for the year ahead, we have lots of exciting things coming up and so

excited for our 2022 Junior nationals the "Return of the minis" Duncan Oklahoma! I hope everyone is excited to see the new ambassador team in action. Thank you for the opportunity to serve a second year for this great breed and I look forward to seeing you all down the road.

Region 9 *Tyler Taylor*

Grants Are Now Open

MHYF Grants are available to assist in the funding of activities and/or junior shows specific to MHBA youth and the Miniature Hereford breed. Applicants must be MHBA members in good standing. Grants are awarded quarterly within the first week of each quarter and are through a matching funds approach with up to \$250 funded by the Grants program.

Grant funding can be requested for the following activities:

- Youth Shows – ribbons, trophies, buckles, etc.
- Educational – clinics, workshops, educational materials
- Projects – monies toward purchase of a youth project animal, hardship assistance, disaster relief assistance.

Applications are now being accepted for consideration for monies to be awarded in early April. You can find the Grant Requirements, Review Schedule and Application Form on the MHBA website under the MHYF section.

Applications received by the end of March (quarter 1) will be reviewed and awarded in early April. Funding is for needs in upcoming quarters only – if request is for a junior show in July, the application would need to be submitted no later than the end of June (quarter 2); if request is for an educational workshop scheduled in November, the application would need to be submitted no later than the end of September. Grants cannot be awarded for past shows, events or activities.

How Can You Help?

As is the case with most organization activities, your help is needed to support the MHYF Grant program. Here's how you can help:

- Volunteer to be on the Grant Committee. The committee is chaired by the Director of Grants and will assist in the procurement of Grant funds, the development/maintenance of applications and criteria, the disbursement of funds and any other duties requested by the Grant Committee Chairperson.
- Purchase MHYF and MHBA branded items from our SquadLocker stores. You can choose from a variety of shirts, sweatshirts, hoodies, hats and drinkware. You place your order on line at your convenience and your purchase is sent directly to you. You will find the store links on the MHBA website. A small portion of each purchase benefits the MHYF Grant program.
- Make a charitable donation to the Grants fund. Every little bit helps to support the MHBA youth. All donations are tax deductible.
- Suggest and assist with fundraising efforts. In order to continue to offer Grants, we need to generate funds throughout the year.

If you need additional information or have questions about Grants, contact the Director of Grants - Diane Jex (bentnailfarm@yahoo.com or 970-980-4831).

Livestock Bill of Sale

Submitted by Al Kelchner, Willow Creek Farm

A bill of sale is used to transfer the ownership of personal property, including cattle, and ensures both the buyer and seller that transfer and payment will take place smoothly. It is especially important when the livestock will be transported across state lines. ¹

The document includes information such as transaction price, information about the buyer and seller, details about the animal, health history, and vet clearance, etc. All livestock transactions should include a livestock bill of sale as evidence not only of ownership but, as proof of the actual transaction in case of any dispute regarding taxation or other legal matters.

A bill of sale is necessary for the following reasons: ²

Proof of transfers

The document contains all the details which pertain to the cattle and also displays the names of both the current and new owner.

Future references

The livestock bill of sale can serve as a good reference for any future disputes if necessary or as back-up support when registering with a national organization such as the American Hereford Association or when a new owner wants to transfer the cattle to a third party.

Litigations and court cases

Occasionally a dispute may arise regarding the animals in question and the bill of sale may be used to settle any disputes.

Taxation purposes

Many states and jurisdictions require payment of taxes whenever any property changes hands and information contained in the bill of sale may be used for taxation purposes.

The livestock bill of sale is an important legal document and proper attention must be given when drafting the document. The following should be taken into consideration for incorporation.

- A. The Transaction Date
- B. Details of Buyer and the Seller
 - Information from a valid photo id such as a driver's license.
- C. The Livestock
 - 1. The animal's sex, date of birth and age.
 - 2. Estimated weight.
 - 3. List of vaccinations with dates.
 - 4. Veterinarian's certificate of health attached.
 - 5. Any other remarks or information pertaining to the animal.
- D. Purchase Terms
 - The agreed amount paid by the buyer along with the date of sale.
- E. Signatures of the Buyer and seller
 - 1. Buyer's and seller's proper signature with names printed underneath.
 - 2. The option of a notary if desired.

Further information and bill of sale templates can be found online by doing a search for "cattle bill of sale".

2022 MHBA-MHYF MINIATURE HEREFORD JUNIOR NATIONALS

The Miniature Hereford Breeders Association® (MHBA) and the Miniature Hereford Youth Foundation® (MHYF) are pleased to announce the 8th annual MHBA/MHYF Miniature Hereford Junior Nationals® will be held in Duncan, Oklahoma again! The MHBA/MHYF Junior Nationals Committee collaborate on organizing the event each year with the overall goals of promoting youth personal development and expanding their horizons. This year's theme is **"Return of the Minis"** to honor our second year in Duncan and we are excited to share some amazing new opportunities with everyone!

Again this year, we are offering expanded contests that include photography, arts & crafts, etc. that will be open for participation to members on a national scale (without the requirements to physically attend Junior Nationals). Be sure to check out the Premium Book on the MHBA website (www.MinatureHerefordBreeders.org).

As anticipation is growing for the 8th annual MHBA/MHYF Junior Nationals, **June 21-25**, the MHBA will regularly post additional information and reminders on the website, through our emailed newsletters, and on our Facebook pages.

Be sure to save the date cause "Yoda" be there!

Johne's Disease

The Silent, Slow Killer

Submitted by Al Kelchner, Willow Creek Farm

Johne's (pronounced "Yoh-nees") disease and paratuberculosis are two names for the same animal disease. Named after a German veterinarian, this fatal gastrointestinal disease was first clearly described in a dairy cow in 1895.

The disease primarily affects dairy cattle but also beef cattle! Although not as prevalent in the US as it was in the '70s it still exists and can decimate a herd, especially a small one. This deadly killer should be taken seriously and any time there is the purchase or sale of cattle under two years old, testing the dam a short time before the transfer of ownership is worth consideration. Speak with your veterinarian about Johne's Disease, it's fatal and there's no cure!

What causes Johne's disease?

A bacterium named *Mycobacterium avium* subspecies *paratuberculosis* (let's abbreviate that long name to "MAP") causes Johne's disease. The infection happens in the first few months of a calf's life but the animal may stay healthy for a very long time. Symptoms of disease may not show up for many months to years later. This infection is contagious, which means it can spread from one animal to another, and from one species to another (cows to goats, goats to sheep, etc.).

The following is excerpted from the Johne's Information Center, University of Wisconsin - Madison School of Veterinary Medicine, with kind permission from Dr. M.T. Collins DVM, PhD, DACVM.

Can Beef Cattle Get Johne's Disease?

"In 1997 the USDA conducted the first and only survey of U.S. beef cattle herds using a commercially available blood test (ELISA). They tested 10,372 cows in 380 herds finding that 7.9% of herds had 1 or more ELISA-positive cows. They also discovered that 92% of beef producers were either unaware of Johne's disease or recognized the name but knew little about it. Also worth noting about that survey is that 70% of surveyed herds were commercial cow-calf operations (average herd size 137 cows). The remainder were registered (purebred) herds or herds with a combination of both commercial and registered cattle."

How do Beef cattle get infected?

"Johne's disease typically enters a herd of animals when a MAP-infected, but healthy-looking, animal is purchased. This infected animal then sheds MAP bacteria onto the premises – perhaps onto

Angus cow showing weight loss due to Johne's disease.

Photo by M.T. Collins

View of the same Angus cow with photo taken above and behind the cow to highlight the poor body condition.

Photo by M.T. Collins

pasture or into water shared by its new herd mates. Contaminated ponds, low-lying areas on farms that trap rainwater, are particular concern as they catch pasture runoff and become a "poop-soup" where MAP bacteria can persist."

"Young animals are far more susceptible to infection than are adults: these calves swallow the organism along MAP-contaminated milk, water or feed. Often, MAP-contaminated milk is collected from the infected but healthy-appearing animals. The milk may become contaminated from the environment (manure-stained teats) or, in the advanced stages of the infection, the bacterium is shed directly into the milk. Animals may even have been infected before they are born (called in utero transmission). Thus the infection spreads, often without the owner's being aware of it."

Can Johne's disease be cured?

"No. In the few studies that attempted to treat Johne's disease with antibiotics, symptoms appeared to subside but animals relapsed after therapy was halted. As with other mycobacterial infections (for instance, human tuberculosis) multiple antibiotics must be injected or given orally daily for months. For most animals, this is cost-prohibitive as well as not feasible because the required drugs are not legal for use in food-producing animals."

How do you control Johne's disease?

"The best methods for MAP infection control in your herd depend on the resources available, the goals of your enterprise, and the methods you use to take care of your cows. All control methods however rely on two core strategies that must be employed at the same time:"

1. "Calves must be protected from infection by being born and raised in a clean environment. The primary sources of MAP contamination are manure and/or milk from an infected adult animal. Moving the cow-calf pair out of the calving areas soon as possible limits exposure of calves to manure from other potentially MAP-infected cows and lessens the chances for cross-nursing."
2. "Adult animals infected with MAP must be identified and culled or at least kept out of the primary calving area to ensure no calves are exposed to their milk or manure."

For further information visit Johne's Information Center University of Wisconsin - Madison: <https://johnes.org>.

NORTH AMERICAN INTERNATIONAL LIVESTOCK EXPO—NAILE LOUISVILLE, KENTUCKY

Making History

A long-standing tradition at the North American International Livestock Exposition is the iconic green shavings. Anyone that has exhibited at N.A.I.L.E. not only recognizes the green shavings, but also knows that some always make their way home, whether in your trailer or stuck to your boots. A reminder of the thrill of showing at "the world's largest all-breed, purebred livestock exhibition".

Another tradition is the awe of showing in Freedom Hall. There is nothing quite like emerging from the tunnel and looking out on the large arena where dreams become reality. For the first time, Miniature Hereford junior exhibitors experienced the thrill of walking through the tunnel to exhibit their animals in this iconic arena, complete with live organ music.

The Miniature Hereford breed has fought hard to make our place in the cattle world, and representing our breed in Freedom Hall is another reminder of how far we have come. Our 2021 junior exhibitors get to claim a piece of history in Louisville, Kentucky as the first ever Miniature Herefords in Freedom Hall.

Regional Reports

REGION 6

Greeting Region 6 Members

Well, 2021 has come and gone. Even though it was a challenging year, it was a better year for the show world. 2022 is going to be a good year from all I can see. Course right now we all need moisture in our part of the country. Spring rains can't come quick enough.

We just completed the San Antonio Stock Show and Rodeo and had a great turnout. I was impressed by the numbers and the quality of the cattle that were there. We are looking forward to moving on to the San Angelo Stock Show and Rodeo in April. I will post the actual dates at the bottom. I am excited about this show since San Angelo will have us back. We weren't allowed to have a MHBA sanctioned show in 2021, but they are allowing us to show in 2022. It will be a great show so if you haven't done so already please get your entries post marked by March 4th. It is a little different this year as San Angelo split the Stock Show and the Rodeo. Hopefully in 2023 the Stock Show and the Rodeo will be back together as one unit.

I have heard from several members on concerns that they have within the show world. I want all to know that the MHBA is taking these concerns very seriously and are in works to try and implement new rules/etc to satisfy some of the concerns. It's always challenging to stay out front, but we are working on all of the concerns as we speak. Just know miniature Hereford breeders should be in this all together as one body. When division happens, it is in no one's best interest to stay divided. Let's all work together for the betterment of the miniature Hereford breed. If not, as one member put it, the only shows that will be left is jackpots and that does not do justice for our breed.

I hope everyone has a great start to 2022 and we get stronger as we move forward. We can be a strong team when we all pull in the same direction.

Best of luck to all members regardless your discipline within the breed.

Craig Rutland, Region 6 Director

REGION 8

I would like to recognize two of the youth in our Region who have been selected to represent the MHBA through the Royalty and Ambassador Programs. The 2022 MHBA National Queen is Abby Eldridge from Grand View, ID and the 2022 Region 8 Ambassador for the second year is Emma Eldridge from Grand View, ID. Congratulations on your accomplishments ladies. Be sure to stop and visit with them at one of the shows as I am sure that they would like to meet you.

I am so happy to see that many of our states are opened up and offering our shows again, as I truly missed our time showing. I am working at getting a couple of new shows in our Region this year; as soon as things are set I will let you know. I am sure that one of the shows you would want to put on your list this year is the MHBA/MHYF Miniature Hereford Junior Nationals®. It will be held in Duncan, OK again and they have planned some new and exciting things for our youth and parents to participate in! The theme this year is "Return of the Minis". If you have any questions about Junior Nationals, please let me know.

Please remember, if you have any questions or need any assistance to contact me as I am always available to answer your questions or just to visit for a while. I hope you have a relaxing spring and that your calving season is plentiful! duvalfarms@gmail.com

Jerry DuVal, Region 8 Director

REGION 9

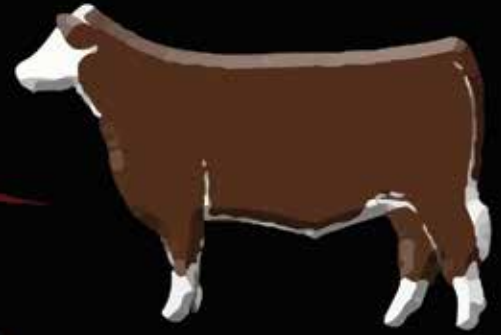

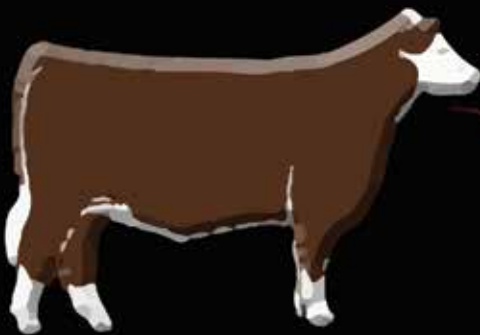

Well Spring is fast approaching and we are gearing up for the new arrivals. Looks to be another dry year for us here in Utah. I want to reach out and welcome any new members to our region and encourage all to join our FB page: look up MHBA Region 9. It's a place where you can share your successes and struggles with like minded folks. I look forward to connecting to our region members and to learn what they would like to see happen within our community.

Robin Benton, Region 9 Director
