

Hello, and thank you for the nomination. My name is January Stout and I have worked with Miniature Herefords for most of my life. I have been going to the NWSS in Denver, Colorado with my uncle and his Miniature Herefords, J Bar W Cattle Co, since I was a young girl. Always helping in the background, I enjoyed it so very much. In 2013 he asked me to travel with them to the shows and later asked me to be more a part of the program and day to day. Of course I said YES and have never looked back. I stated my actual show career in the ring in 2014 at the Iowa State Fair. I spend the majority of my free time working with our family's cattle and now even have a place of my own where I can keep some on my

property! On a personal note, I have 3 dogs, 3 cats, and have been married to my husband Tyler for 5 years and we have a 7 month old daughter whom I hope to raise to love the Miniature Herefords as much as I do! I hope to be able to assist the MHYF as the secretary and continue to grow the wonderful foundation for our juniors!

Thanks!
January
